

Longi 530w photovoltaic panel nameplate

This manual elaborates on installation and safety use information for PV power generating modules (hereinafter referred to as module) of LONGi Solar Technology Co., Ltd. (hereinafter referred to as ...

Product photo showcasing the Longi Solar 530W Black Frame panel design. The Longi Solar 530W Black Frame is highly versatile, making it suitable for a wide range of photovoltaic applications. It fits ...

Greentech Renewables supplies LONGi Solar 530W 144 Half-Cell Silver Bifacial Solar Panel w/Domestic Contents, LR5-72HBD-530M DOM and other pre-qualified solar equipment from LONGi ...

Longi A grade Solar Modules offer 530W-540W power, bifacial design, and 25-year warranty. Ideal for power stations, featuring monocrystalline silicon, dual glass, and IP68 junction box. | Alibaba .

Specifications included in this datasheet are LONGi subject reserves to change the right without of final notice.

Overview The LonGi 530W Solar Panel (LR5-66HTH) is expertly engineered for high-performance solar energy solutions, boasting a power output range of 520W to 540W.

Boost energy yield with the Longi 530W bifacial solar panel featuring N-type technology, sleek black frame and 30-year warranty. Available now at Solen Energy.

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

The Longi Solar LR5-66HTH-530M is a high-efficiency photovoltaic module designed for ultra-large power plants as well as domestic rooftop installations. Utilizing advanced module technology, this ...

LONGi Solar Technology Co., Ltd. Solar Panel Series LR5-72HBD 530-550M. Detailed profile including pictures, certification details and manufacturer PDF
