

## P210 photovoltaic panel

What's in the Box + Extended Warranty: The AFERIY P210 comes with everything you need: the portable power station, AC charging cable, MC4-to-XT90 solar cable, protective cover, ...

Your power station provides freedom, but a portable solar panel makes that freedom infinite. Instead of searching for a wall outlet, you can recharge from anywhere the sun shines. This is essential for ...

Thanks to dual fast charging (AC + Solar up to 1600W), the P210 fully recharges in just 1.5 hours, ensuring you're never left without power. The built-in UPS function (10ms switchover) keeps your ...

We tested the P210's solar input using a 400W solar panel array, which allowed it to perform adequately. However, with a maximum input of 500W, you're looking at about 4.5 hours to fully charge the unit ...

AFERIY P210 portable generator can be connected to solar panels to convert ...

AFERIY P210 portable generator can be connected to solar panels to convert and store solar energy. With a maximum solar input of 500W, it provides efficient and convenient charging.

Learn about the CNBM International P210 solar panel. Explore solar panel efficiency, warranties and more.

?High-Performance Solar Panel? It adopts industrial-grade monocrystalline silicon with a maximum sunlight conversion efficiency of 23%. The ETFE high-transparency encapsulation film ...
