

# Wholesale of 10kW outdoor telecom cabinets for airport use

DDB Unlimited manufactures NEMA outdoor cabinets to protect telecommunications, fiber optics, Wi-Fi and other electronics from the outdoors.

Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power management systems, telecom base stations, energy storage battery systems, and radio equipment.

Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite mounting platforms and modular series cabinets.

Discover rugged OEM outdoor telecom cabinets with IP55-IP67 ratings, stainless steel construction, and all-weather protection for reliable network infrastructure.
